

2nd Armored in Europe

“ROLL ON THE MAAS”

‘Second Armored Goes Dutch’

5th to 13th September 2009

Following the success of our previous tours, plans are well advanced for our third tour. Permission in principle has been given and final planning is now ongoing with the relevant authorities. This promises to be a remarkable event and 2nd Armored in Europe is delighted at the support being shown by the Belgium and Dutch authorities.

The trip will be run with the usual, well established Second Armored in Europe principles, and will follow the route Second Armored took across Belgium in 1944 and finish in Maastricht on the River Maas.

Cost of the trip will be approx **£380.00** per person

In line with our policy of continual expansion and "pushing the envelope", it is hoped to take and man, 3 full recon platoons and attached units organized as follows:

‘C’ Company 82nd Armored Reconnaissance Battalion

HQ Section - 3 x Recon Platoons - Supply & Mess Section

Plus attached units - **MP Platoon + Medical H/Track**

We are just finalizing details for the tour and will be sending out full information and an entry form by email in the next few weeks
